This certificate is issued for and on behalf of New Standard Company (NSC) according to the requirements of the Consignment-Based Conformity Assessment (CBCA) in the Kurdistan Region. This certificate does not discharge exporters from their contractual obligations in relation to quality and quantity of the goods referred to herein, nor does it discharge the exporter or the importer from exercising all their rights and discharging all their liabilities under the Contract of Sale. Stipulations to the contrary are not binding on Intertek. Intertek's responsibility and liability are limited to the Terms and Conditions of its agreement with its Client and it assumes no liability to any other party for losses, expenses or damages occasioned by the use of this certificate. This certificate does not evidence shipment. Irrespective of this certificate, NSC may reject the consignment if found to be non-conforming on verification at the border point of entry of the Kurdistan Region.
